A REPORT ON WORLD SUICIDE PREVENTION DAY

As committing suicide has become rampant, the Youth Red Cross of our college thought it fitting to coincide with the “World Suicide Prevention Day” on 10th September. The programme was held in our college on 18th September. The YRC with the guidance of the Programme Officer, had organized the same to be celebrated in our college.

The event began at 10.00am in the auditorium. The Programme began with Tamil Thalai Vazhthu followed by YRC Song. The Programme Officer Mrs. S.Gomathi, AP/ Department of Mathematics welcomed all the participants. Rev.Sr. Bartholomew was called to honour the chief guest, Mr. J. Arockiasamy, with a shawl. Then our Principal was invited to give the Presidential Address. This was followed by the chief guest addressing the participants on Prevention of suicide. He observed that the students spent time on Mobile Phones and find easy way to lead their lives. Youth are not ready to face hard challenges of life. Rather they find to exit the world amidst challenging situations. Hence, the chief guest insisted on shunning suicide but take life boldly courageously and with a challenge. After his speech feedback was asked. Many expressed their views that when parents scold at home, the affected student felt let down and even thought of committing suicide. Thus it is felt that the Youth of today’s world is in need of liberation.

Finally, our student Wanisha Sameera, Department of English was called to propose a vote of thanks. With national Anthem, the programme was concluded.
