DEPARTMENT OF PHYSICS

INDUSTRIAL VISIT REPORT

An industrial visit to AMBIKA COTTON MILLS, Kanniapuram, Dindigul District was arranged by the Department of Physics and mathematics on Friday, 13th May 2022. A total of thirty four students, with three faculty members, visited the industry to understand the reality and current industrial, demanding technologies, employment opportunities etc. We divided our students into two batches for the visit. The students were very eager to listen to the industrial higher authority in morning, around 10.00 a.m, we reached Ambika Cotton Mills. Students visited each industrial divisional units such as Cotton press, making thread, making clothes, cloth dying units, etc., Heads of various departments explained the insights of each department which include various activities and methodologies. Thus, all the students were benefited and gained knowledge out of this industrial visit which will bring a positive change in their thinking and behavior regarding education and specialization of their skills.

Objective of the programme

- They know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visit provides student a practical perspective on the world of work.
- Helps students to understand the functioning of the industry.
- Provides an insight into the real working environment.
- Provides an opportunity to plan, organize and engage things.
- A good opportunity to interact with the experts
- Helps to enhance their interpersonal skills

Over all Feedback

- The HR and the technical staff were very polite and supportive.
- The hospitality was very satisfactory.
- Description and Q & A during the visit were also explained very nicely and patiently.
- The visit was very informative and gives a rich practical exposure to the students.
- They provided very tasty food for our Students and staffs by their own harvested vegetables.
- The visit was very informative but due to restrictions students were only able to listening the things from separate room.
