INDUSTRIAL VISIT REPORT

DATE OF VISIT: 14-2-2024

PLACE: GANDHIGRAM

An industrial visit to Gandhigram Trust and Lakshmi Seva Sangam, Gandhigram, was successfully organized by the Department of Physics, Maths, and Chemistry on Wednesday, 14/2/2024. Eighty-five students and three faculties visited different places under the Gandhigram Trust in order to understand the process of production activities. The production manager, Mrs. Ramuthai, briefly explained about the trust and industries inside the campus. Students gained knowledge about the process of oil extraction, the soap-making process, the preparation of varieties of masala, agarpathi and fragrant. Next, to visit Lakshmi Seva Sangam in Chinnalapatti at 2.00 p.m. Mrs. Revathi, Head Coordinator of LSS, guided us and gave us more information about natural medicine (Siddha and Ayurveda) and its benefits. In LSS, students gained knowledge about the medicinal plant extract, preservation, methodology, and process of preparing tablets and lagiyam, etc. The one-day IV visit ended at 3 p.m. Students were benefited by this industrial visit.
