Tour Report – Kanthaloor

Date: 17/02/2026

Place: Kanthaloor, Kerala.

The Fifty three students and two faculty members visited an educational tour to Kanthaloor at Kerala was organized by the Department of Chemistry on Tuesday, on 17th February 2026. The trip started at 11.00 pm and aimed to provide students with exposure to nature, agriculture, adventure activities, and team bonding experiences. The day was filled with enjoyable activities and memorable moments.

Refreshments were taken to all participants. Breakfast was served upon arrival, ensuring everyone was energized for the day's activities. An adventurous jeep ride through the hilly terrain was arranged. Students enjoyed the off-road experience and scenic mountain views. Sandalwood Forest. The group visited the sandalwood forest area. Students learned about sandalwood trees and their importance. A refreshing visit to the beautiful waterfalls. Students enjoyed the natural surroundings and photography. A scenic location known for film shooting. Participants enjoyed panoramic views and group photos. A natural rock formation famous for its unique appearance. Students explored the area and enjoyed the peaceful atmosphere. Visit to a strawberry farm, a specialty of Kanthaloor. Students observed strawberry cultivation and tasted fresh strawberries. A scenic viewpoint surrounded by lemon grass plantations. Students enjoyed the cool breeze and hilltop scenery. Another beautiful waterfall spot visited during the tour. Students spent time enjoying the natural beauty. A delicious lunch was served at a local restaurant. Students relaxed and refreshed before continuing the tour. Visit to the hilltop Murugan temple. Students enjoyed trekking and scenic hill views. In the evening, a lively campfire session was conducted. Students participated in dancing and enjoyed DJ music. It was a joyful and memorable that strengthened bonding among a seniors and juniors. The day concluded with a tasty dinner and return journey at 10.00 pm. And reached the college at 4.00 am on 18th February 2026 with safe and happy memories. The department of chemistry thank the management and the principal for permitting to organize this educational tour.
