A One Day National Webinar

On

TRENDS OF INFORMATICS IN BUSINESS

REPORT

The Department of Computer Science organized a **One Day National Webinar on 02.03.2023** for all students and faculties from various colleges. Webinar Explore the latest trends in emerging technologies, mastering our roles, and digital transformations in business. By enrolling in the program, participants gained knowledge of current and future trends in the development of business analysis applications, the management of corporate information systems, and the improvement of business processes.

The program started with a prayer song. Dr. M. Guhapriya, Head, Department of Computer Sciences, delivered the welcome address. The program was presided over by the Vice-Principal Rev. Sr. Amali Pushpam. Dr. G. Srinivasan, Principal, Theni Kammavar Sangam College of Arts and Science, Theni and Mr. Ashik Shah Jahangir, Technical Support Manager, Winshuttle Softwares, Bangalore were the resource persons for the program.

Dr. G. Srinivasan delivered a speech on the topic “**Entrepreneur Traits**”. He encouraged the participants to find an entry-level job, which is required for gaining experience and training for unskilled workers. Students are an instrumental part of entrepreneurship and will continue to lead change for years to come. Through their ingenuity, they bring with them economic growth, innovation, creativity, and productivity.

Mr. Ashik Shah Jahangir delivered a speech on the topic “**SAP – A Detailed Insight**”. He gave more information about job opportunities in IT field. An excellent presentation was presented by him, which clearly explained the SAP module.

It was an interactive session in which participants gained more information about job opportunities and how to prepare themselves for employment. Participants raised questions during a query session. The clarity with which he answered the questions was impressive.

Nearly 1000 people were participated in the webinar which was live streamed on YouTube. It was closed with an appreciation vote by J. S. Jummana Hasin of III B.Sc. CS.
