CO - TECH FEAST ASSOCIATION

Report – Student Induction Program - “ breaking barriers: The Rise of women in leadership Roles ” on 10.07.2025

The Department of Computer Science had organized a student induction program on “ The rise of women in leadership roles” in phenomenal way on 10th July 2025. Nearly 250 of our students were attended the program. The primary aim of this student induction program was to introduce students to the concept of leadership, with a special focus on “**The Rise of Women in Leadership Roles**”. The program aimed to inspire first-year students, especially women, to pursue leadership roles and break gender barriers. The speech was delivered by **Mrs J.Penniah mam**, who has significantly contributed to advancing gender equality and empowering women in leadership positions.

Objective

- ❖ **Inspire First-Year Students:** To motivate students, particularly women, to aspire to leadership roles and aim for excellence in their personal and professional lives.
- ❖ **Highlight the Importance of Women in Leadership:** To emphasize the critical role women play in leadership positions across various sectors and their contribution to shaping future societies.
