DEPARTMENT OF COMPUTER SCIENCE & APPLICATIONS

3 DAYS ONLINE SOFT SKILL TRAINING PROGRAMME

REPORT

The Department of Computer science had organized a “**3 days online soft skill training programme**” for all the final year students from 18.05.21 to 20.05.21.

This programme is intended to deal more with student’s interpersonal relationships and involve things like conflict resolution, communication, listening, and problem-solving. Soft Skill training is working on personal attributes, communication abilities, personality traits, etc. which are important socially and professionally that plays an important role in the success and growth of a student.

Report of the programme - Day 1

The first day of the soft skill training program was started with a prayer song. Dr.M.Guhapriya, Head, Department of Computer Science had delivered the welcome address. The program was presided over by the Secretary, Rev.Sr.Dr.Mariamammal and Dr.S.Gayathri, Principal delivered the felicitation address.

Mrs.D.Sathyabama, Placement officer and program officer of Rotaract, Parvathy’s arts and science college, Dindigul was the resource person for the first day training program. She delivered a motivational speech on the importance of job for women and she conducted various games in testing the IQ and presence of mind of the students. She created the awareness on the job opportunities available to the various department students in various fields.

Nearly 100 students participated in the first day of the program. At the end, Mrs.C.Sridevi, Assistant professor, Department of Computer Science had delivered the vote of thanks.

Report of the programme - Day 2

The second day of the soft skill training program was started with a prayer song. Mrs.C.Sridevi, Assistant professor, Department of Computer Science had delivered the welcome address. Mrs.S.Banuchitra, Research scholar, Mother Teresa University, Kodaikanal was the resource person for the second day training program. She delivered more information about the job opportunities and she gave a clear idea in preparing the resume for the students. She displayed an excellent presentation on “How to prepare the Resume”.

The session was so interactive so that the students gained more information about the job opportunities and how to prepare Resume. Nearly 100 students were participated in the second day of the program. At the end, Ms.L.Shailarousittainfant, Assistant professor, Department of Computer Science had delivered the vote of thanks.

Report of the programme - Day 3

The third day of the soft skill training program was started with a prayer song. Dr.M.Guhapriya, Head, Department of Computer Science had delivered the welcome address. Mr. M. Vasu, Placement cell member, Indo American college, Cheyyar was the resource person for the third day training program.

He trained the students on the following areas: 1. Developing communication skill
2. Preparing for an interview 3.Dressing and formal behavior in an interview 4.Developing aptitude skill.

The session was so interactive so that the students gained more information about the job opportunities and how to prepare Resume. Nearly 90 students were participated in the third day of the program. At the end, Mrs.C.Sridevi, Assistant professor, Department of Computer Science had delivered the vote of thanks.
