### **REPORT ON AI SKILLS ACCELERATOR PROGRAM – 26.11.2025**

The Placement cell and Department of Computer Applications organized “AI Skills Accelerator Program” for the III years students regarding job opportunities in AI which place a vital role with Smarter Solutions for a Smarter World. The programme was started at 11.00 am by Prayer song and the welcome address was delivered by Dr. H. Thagira Banu, Head, Dept.of.Chemistry. The Speaker of this programme was Mr. A.Venkatesh, Technical and Operation Head, Vinusp InfoTech, Madurai.

Speaker motivated our students about the importance of AI, GI (General Intelligence) by explaining the Machine Learning (ML), Intelligence Augmentation (IA), Generative AI, Rule-based systems, Vibi coding simply focusing on human intelligence and collaboration. Our students interestedly participated to know about AI and program developing's. Positive feedback were received from the students regarding this programme to be smart in work with time-saving. Placement cell coordinators and Department of BCA were thankful to the Principal and the Management for giving permission to conduct this programme. The Vote of thanks was delivered by Mrs.M.Mohana Priya, Head, Dept.of Computer Applications and the programme ended at 1.00 p.m
