DEPARTMENT OF COMPUTER APPLICATIONS

REPORT ON WORKSHOP AI TOOLS IN RESEARCH (25-01-2025)

Department of Computer Applications, has organized a workshop for all the faculties and BCA students on 25 January 2025 on the title of “**Workshop on AI Tools in Research**” at New Auditorium. Totally 179 participants, among them 158 Students, 21 Faculties members and Research Scholars were participated from different colleges.

Workshop Objectives:

The primary objectives of the workshop were as follows:

- a. To introduce participants to the concept of AI and its relevance in the research domain.
- b. To familiarize participants with various AI techniques and tools applicable to research.
- c. To provide hands-on experience through practical exercises.
- d. To encourage participants to apply AI techniques in their respective research areas.

The workshop was started at 10.30am with a prayer Song , followed by lightening the lamp.A formal welcome address was given by Mrs.D.Saroj Priyadharsini, Head, Department of BCA. The Chief Guest Dr.K.Prathapchandran, Assistant Professor, Department of Computer Applications, Nehru Arts & Science College for Women, coimbatore was honoured by our Secretary and Vice-Principal with a shawl and gift. Then our Principal Rev.Sr.Dr.Sirumalar gave the Persidential Address. The resource person gave on overview about AI Research Tools. The workshop was divided into 2 sessions. The first session of the workshop will be a presentation and discussion session, where we will introduce the key concepts and tools. After the lunch, the second session will be dedicated to hands-on learning, where you will experiment with different types of AI tools in research area. During this session, you will explore the possibility of these tools and learn how they can be applied to research field to publish papers, journal and articles.The faculties and students showed keen interest in the workshop and have gained a hands-on

experience in the topics of AI Research in Tools. After the session was completed, Feedbacks were collected from the students to know their opinion about the Workshop. We provided Certificate who

are all attended the workshop. Finally, our staff Mrs.M.Mohana Priya, Assistant Professor, Department of BCA delivered the vote of thanks. Thus the Workshop ended with College Anthem successfully.

OUTCOME:

- Participants gained hands-on experience with AI tools, enhancing their ability to apply these technologies in research.
- They learned techniques to improve efficiency and accuracy in their research process.
