I CAN EVENT-CONDUCTED BY CO-TECH FEAST ASSOCIATION

REPORT

The Department of Computer Science had organized I CAN EVENT. We've conducted two events THE FOOD COURT and THE GHOST HOUSE.   Dr. M. Guhapriya, Head, Department of Computer Science provided support throughout the event, along with Assistant Professors Mrs. K. Rizwana Parveen, N. Gouse Bi, and J. Nasrin Banu. The Department of the Computer Science students are acted as Supervisors and assistant Supervisors for the event. The event was assigned to teams for marketing, execution, decoration and so on. The event featured excellent collaboration, originality, and commitment from the teachers and students. With well thought-out attractions like THE FOOD COURT and THE GHOST HOUSE, the event fulfilled its main goals and provides guests with an amazing experience.
