REPORT ON SEMINAR

The PG department of Commerce and Commerce with CA organized an one day seminar Titled **“AWARENESS OF CAREER OPPORTUNITIES FOR CMA”** SEMINAR on 16.12.2025 (Tuesday). We started our programme with Prayer Song at 11.00 am. The Welcome Address was given by Ms. Lakshmi, Assistant Professor, Department of Commerce and Commerce with CA.

Following this, a Resource Session was conducted by Mr. D. Kalaichelvan, Chairman, The Institute of Cost Accountants of India (ICAI–CMA), Dindigul Chapter. He has extensive practical exposure to corporate finance, auditing practices, and management accounting. With his strong professional background, he provided valuable insights into the relevance of CMA (Certified Management Accountant) in today’s dynamic business environment. His session mainly focused on bridging the gap between academic knowledge and real-world industry requirements.

Through his interaction, the resource person clearly explained the scope, global recognition, and wide range of career opportunities available to CMA professionals. His practical examples and professional experiences enabled students to gain a realistic understanding of how the CMA qualification supports career growth in finance, management, and strategic decision-making roles. The session was highly informative, motivating, and beneficial for students aspiring to build successful careers in accounting and finance.

Then we started Valediction around 12.30pm. In that Valediction, Vote of Thanks was given by Mrs. Divya, Assistant Professor, Department of Commerce, expressing gratitude to the resource person, the management, and all participants for making the program a success. With College Anthem, the seminar came to an end.
