REPORT ON NATIONAL SCIENCE DAY CELEBRATION - 2021

“National science day- 2021” was conducted by Department of Science and Technology on 25.02.2021. The program started with prayer song followed by lightening the lamp. Welcome address was given by Dr. H. Thagira Banu, Head and Assistant Professor, Department of chemistry. The Chief Guest Dr. S. Meenakshi, Professor, Chemistry Department, Gandhigram Rural University (DU), Gandhigram was honoured by our beloved Principal Dr. S. Gayathri who delivered the Presidential address. The Chief Guest delivered an excellent talk on “Women in Sciences”. Her presentation inspired the students and she also encouraged the students to do higher studies. Surprise events were conducted by the students of Science and Technology by giving memory task and on spot quiz program. Students showed their intelligence and for the winners the prizes were distributed by the Chief Guest. Vote of thanks was given by Mrs. S. Gomathi , Head and Assistant Professor , Department of Mathematics. Finally the program came to an end by National Anthem.
