The Department of BBA organized a Seminar on the topic Organizational culture and climate, on 20 Feb 2026 at 12.00 pm in our College. The session aimed to provide insights into the importance of workplace culture, employee behaviour, and the overall environment that influences organizational performance. The resource person for the seminar was Ms. Kanishka, senior sourcing specialist, who shared her knowledge and experiences related to the topic. This session included an interactive "Tell Me about Yourself" activity, where the Students were asked to introduce themselves professionally. This activity helped participants improve their confidence, communication skills, and self-presentation abilities. It also made the session more engaging and participative. Our BBA Dept. Head Mrs. G. Bhuvaneshwari moderated the environment enthusiastically and managed student coordination. Ms. R. Priya Harshini involved herself in motivating students to participate in the activity and feature of the program. Ms. K. Amrin Rahima created an inclusive atmosphere where every student felt empowered to participate in the interactive exercises. The Department of Business Administration are thankful to the Principal and the Management for giving permission for organizing this seminar. The session ended at 01:30pm.
