REPORT ON

NATIONAL SCIENCE DAY - 27.02.2026

THEME : “ WOMEN IN SCIENCE: CATALYSING VIKSIT BHARATH 2026 ”

The Department of Computer Applications celebrated National Science Day on 27th February 2026 with great enthusiasm and active participation from the students. As part of the celebration, a Video Making Competition was organized under the theme “College Admission 2026.” The program began with a Welcome Address delivered by Afrin Kassali S from III BCA, who warmly welcomed the gathering. This was followed by a Tamil speech on the importance of Science by S.Thoufika from I BCA. An English speech was delivered by P.Yogeshwari, who spoke about scientific achievements, innovations, and the role of science in shaping our future. Nearly 26 students actively participated in the Video Making Competition and showcased their creativity, technical skills, and innovative ideas related to college admissions. The event encouraged students to use mobile technology creatively and productively. Ms.Y.Alex Ackvina of III BCA secured the First Prize for her outstanding and impressive video presentation. Participation certificates were distributed to all the students who took part in the competition as a token of appreciation. The program concluded with a Vote of Thanks delivered by Karolin Abiya J, who expressed her gratitude to the Principal, Head of the Department, faculty members, coordinators, and students for making the event a grand success. The National Science Day celebration was informative, inspiring, and memorable for everyone.
