DEPARTMENT OF COMPUTER APPLICATIONS

REPORT ON ONE DAY WORKSHOP(04-01-2024)

The Department of Computer Applications, Bon Secours Arts And Science college for Women, Dindigul , has organized a one day workshop for all BCA students on 4 th January 2024 in the title of "Mobile Application Development Using Flutter". The workshop was started with a prayer Song sung by BCA Students, followed by lightening the lamp. A formal welcome address was given by Mrs.D.Saroj Priyadharsini, Head of the Department . The Chief Guest Mr.J.Vetrivel Pandian, MCA., Assistant Professor, Kamaraj College, Thoothukudi was honoured by our Administrator and our Vice-Principal with a shawl and gift. Then our Vice-Principal Rev.Sr.Amali Pushpam gave the Felicitation Address. She emphasized that this workshop will provide more knowledge about the various technical skills and the future scope for computer students. The workshop was divided into 2 sessions. The training program was begun with an introduction about Flutter, explaining its key concepts, architecture and how it differs from other frameworks. Hands-on sessions were conducted in the Computer Lab2. In the second session he gave basic ideas about how to get prepared for the interview? To face the interview, what are the main technical skills and languages needed? What are the companies available to work in our field? What are the opportunities and ways to work in Flutter framework in IT Industry? The students showed keen interest in the workshop and have gained a hands-on experience. At the end of the session the students gave their feedbacks about the training and the trainer. We provided E-Certificate who are all attended the workshop. Finally, our staff Mrs.M.Mohana Priya, Assistant Professor, Department of BCA delivered the vote of thanks. Thus the Workshop ended with College Anthem followed by National Anthem.
