REPORT ON NATIONAL SCIENCE DAY CELEBRATION

Date: 27 February 2026

Theme: Women in Science – Catalysing Viksit Bharat

National Science Day was celebrated with great enthusiasm and scientific spirit on 27 February 2026 in our department. The program aimed to highlight the importance of science in everyday life and to recognize the valuable contributions of women in the field of science, in line with this year's theme, "Women in Science – Catalysing Viksit Bharat. "

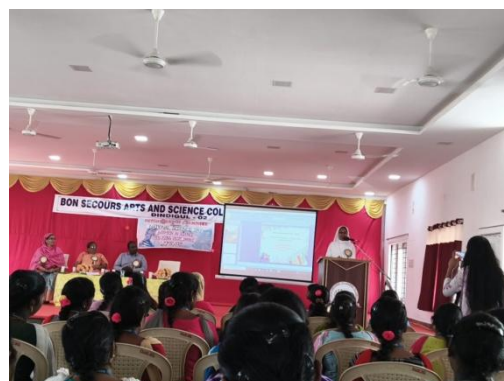

The celebration commenced with a warm welcome address was given by our department student as well as our college president Miss. S. Shaheera Banu, the key note address was delivered by our Head of the department Dr. H. Thagira Banu, and the felicitation was delivered by our Principal Rev. Sr. Dr. Siru Malar. The Guest of Honour, Dr. S. Philip Arockiaraj emphasized the crucial role women scientists play in shaping a progressive and developed India. He encouraged students, especially young girls, to pursue careers in science and innovation, stressing that inclusivity and equal opportunities are essential for achieving a Viksit Bharat (Developed India) and discussions on current scientific advancements. Students actively participated in the events, the theme of development through science.

The program concluded with a vote of thanks was given by Miss. M. Marjuca Rizwana, expressing gratitude to the guest, organizers, participants, and attendees for making the event a grand success. Overall, the National Science Day celebration was both informative and inspiring, fostering a deeper appreciation for science and reinforcing the importance of empowering women in the scientific community for the progress of the nation.
