PG DEPARTMENT OF ENGLISH

A REPORT ON STUDENTS' INDUCTION PROGRAM

DATE: 10.07.2025

The PG Department of English had organized the Students' Induction Program on 10th July 2025. The program began with a Prayer Song. The session was led by our Head of the Department, Ms. Vennila. She has initiated the program with a thought-provoking question: "What is life?" The students responded enthusiastically with a variety of answers. Finally, she shared her own perspective through a moral story, offering valuable insight. Through this, the students began to understand the value of life and its purpose. Many students shared their thoughts. This session helped the students gain clarity about their future goals. The question "What is life?" might not have one final answer, but through this induction program, students took their first step in exploring it. The program fulfilled its mission of guiding students not just into a new institution, but into a new phase of life filled with learning, friendship, purpose, and growth. Following this, she has conducted some engaging activities for the students' relaxation, in which they participated eagerly and with great interest. Also, her motivation brought out the students' talents, especially to find out their singing talent and make them sing on the stage, which was a more welcoming one.
